

## OPzS / OPzV containers and lids

### Product description

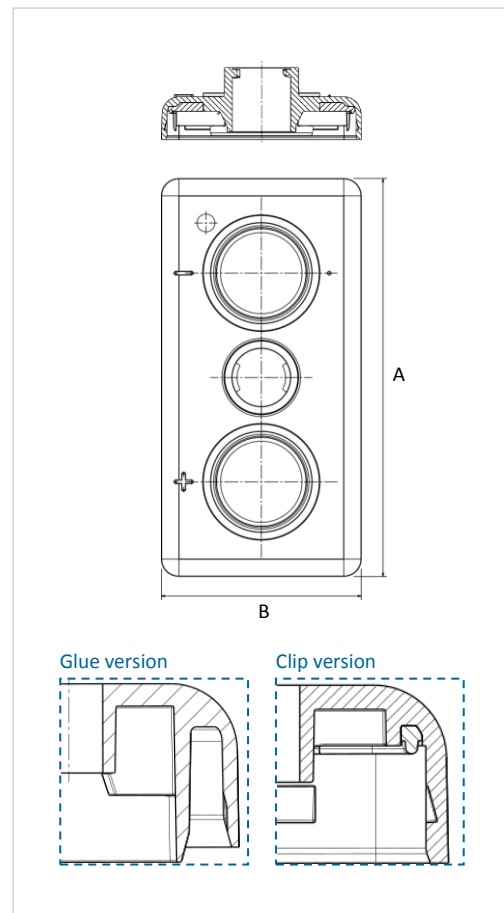

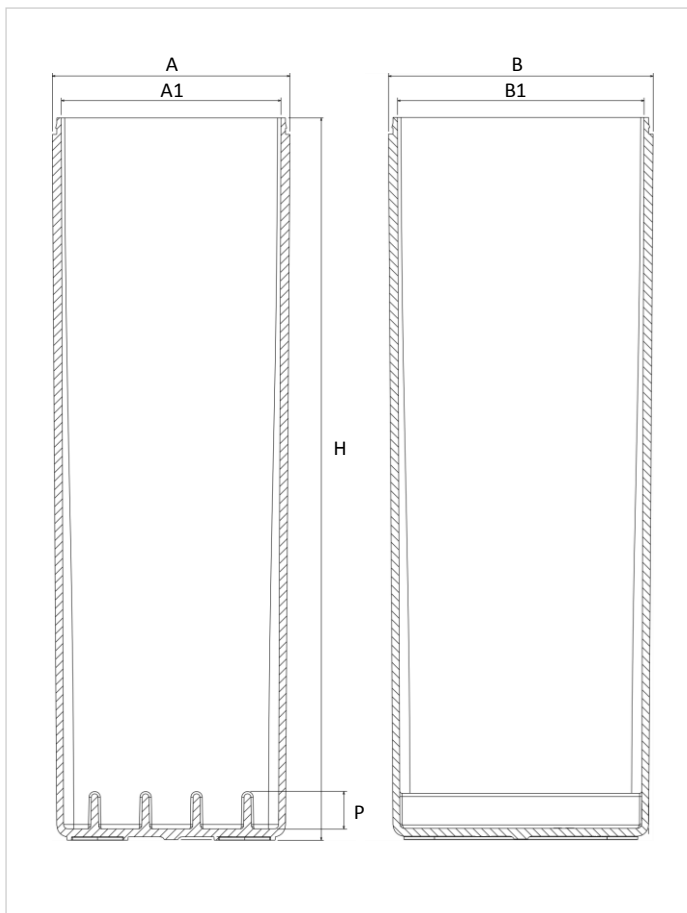

#### Containers and lids for reserve power / stationary batteries

- OPzS containers in transparent SAN
- OPzV containers in grey ABS
- OPzS and OPzV lids in grey ABS
- Lids available in glue or clip version
- Lids available with or without charge indicator hole
- Pole holes diameter:  $\varnothing 32$ ,  $\varnothing 34$ ,  $\varnothing 42$

### Advantages of clip system

- Gain of 24 hours on the manufacturing process
- Avoids gluing operation, reducing time and intermediate storage
- Production with automatic assembly through a small press for fixing the lid
- Clip lids can easily be installed manually
